

students in 4 batches. Pray that God may convince the parents to send their children to the center and God's purpose be fulfilled in this village.

National Issues:

- A) Pray for the leaders of our country. May God's protection be upon His people in our country that all may enjoy religious freedom & harmony among all religion.
- B) Pray for economy of our country. With the rise of prices of all essential commodity, the common people are facing financial challenges.
- C) Please pray for the spirit of compassion, integrity and honesty in our country.
- D) Please pray for the unity among all the churches in India. Pray that the Holy Spirit may mightily work in the churchs and in believers that they may rise to be the mighty witnesses for the Lord.
- E) Pray for the political leaders. Pray that the Lord may guide their heart to rule the country with wisdom and integrity.

Finally, we must pray for all Church leaders that God will protect them from the temptations and the satanic attacks. Church leaders are the strategic target of the Evil One. Last few weeks the reputation of all Indian Churches and Christians became soft targets of accusations because of whatever was done in Kerala or, in UP by one or two. May God make all of us wise and beware of the crafty scheme of the evil one. May God use us to bring glory to His Name.

Let us continuously uphold each other in prayers.
